Company Overview

PT. PARADHYA ISTA TEKNIK was first established on December 11th, 1980 as a trading company dealing with technical equipment with concentration in automotive industry.

In 1995 PIT has expanded the support to coal mining, oil & gas, aircraft industry, transportation, general manufactures, general industry, chemical industry, and food & beverage industry.

As the company growth, PIT has been appointed as authorized distributor for many high quality products :

INGERSOLL RAND Tools (1994)
ARO Fluid Products (1994)
Reelcraft Hose Reels (2001)
MacNaught Flow Meters (2001)
Norbar Torque Equipment (2014)
DeWalt & Stanley Power Tools (2016)
Recoila Hose Reels (2018)
ARCH Impact Socket (2018)

By providing high quality products, warranty, parts, and after sales services we stand behind our vision :

"TO BUILD CUSTOMER SATISFACTION BY MEANS OF QUALITY, SERVICE, AND SOLUTION"

We hope our customers can keep their productivity high by offering them the best products and solutions in this competitive world.

Company Vision

“ Build Customer
Satisfaction by
Means of Quality,
Service and
Solution ”

Market Segment & Products and Services

Segment :

- Automotive Assembly & Service Station
- Oil & Gas
- Mining Contractor
- Heavy Equipment Assembly Line
& Service Area
- Food & Beverages
- Chemical Industry
- Printing Packaging
- General Industry
- Transportation

With more than 100 years of history in industrial product, IR provides products, services, and solutions that enhance energy efficiency, productivity, and operation. With diverse and innovative product range from air compressor systems, pneumatic tools, fastening systems, to material handling systems. It is a complete solutions for your workplace.
